

## Office Master, Inc. Offers Sneak Preview of 2 New Chair Families

June 19, 2006

**La Verne, CA** – Office seating manufacturer unveils 2 long-anticipated chair series. Each will soon be developed into complete chair families by late October.

Exciting design, extraordinary comfort and extremely attractive pricing are the hallmarks of both the new **YS mesh** & the new **DB super-ergonomic** series. In fact, they have both already generated significant interest and sales... even prior to any formal launch!

In order to give everyone a chance to try these chairs, Office Master will be offering selected dealers the chance to benefit from limited time sample pricing in our Sneak Preview of the DB & the YS series (with special pricing for Teknit fabrics on YS models – see below for details).

Call your favorite Office Master representative to find out more on this offer.

Sincerely,  
**Office Master, Inc.**

### Important Notes:

#### Teknit

1. Available on DB, IU, PA, PT, WH, ZA chairs at \$88 up-charge to Basic fabric list;
2. Teknit fabric not available in swatches;
3. All Teknit-specified chairs normally upholstered with a fabric panel back will be upholstered with an Infiniti Ebony (I021) fabric back;

#### Brochures

1. New brochures of the YS and DB series will not be available until the formal launch of each full line.
2. Until then product images will be released as they become available, and upon request.

## YS Series (Mesh Family)

**YS ... it's a Mesh chair ...** On YS model chairs only: **Teknit** fabric is the **same price** as Basic *or* Decorative *or* Prestige *or* Morgard Vinyl (only Leather & COM have different prices).

\* Teknit fabric chairs are – if you haven't experienced one before – the most amazing, comfortable, and soft sit that has been offered by anyone in a while. Truly, you-have-to-try-it-to-believe-it!
