## Product Overview

### PT Value

### 24 Seven Intensive

### 24 Seven Heavy Duty

### Maxwell 400 Lbs

### Yes Mesh

#### PT Value line

A reliable chair that was built to meet the demands of daily cross performance use with a multitude of features and benefits with a compelling combination of comfort, style, and affordability.

**PT62; PT69; PT72; PT74; PT74S; PT76; PT78; PT78S; PT79; PTYM**

Note: PT Value Line is designed to accommodate users up to 300 pounds. Arms sold separately.

#### 24 Seven Intensive

Suited for a combination of seating environments that require 24-hour durability and adjustability and designed for ease of adjustment, comfort, and flexibility.

**IU54; IU55; IU58; IU72; IU73; IU76**

Note: Arms sold separately.

#### 24 Seven Heavy Duty

Suited for environments where versatility and durability are equally important and are equipped with a range of great features including a Multi-Function Mechanism, Seat Slider, unique DCS Technology Memory Foam/High Resilience cushioning, & a Heavy Duty Structure for years of dependability and comfort.

**IU76HD; IU77HD; IU79HD**

Note: IUHD Models are designed to accommodate users up to 350 pounds. Arms sold separately.

#### 24 Seven Heavy Duty Intensive Use Police Model

The perfect chair for law enforcement and 911 call center applications that require an extra measure of toughness and 24/7 reliability. This chair takes durability to another level by offering a high double rub count fabric line and a tough ballistic black nylon material used by luggage manufacturers that is sewn into the lower back area making it highly abrasion resistant against utility belts used in law enforcement and highly industrial applications.

Optional JRPD arms with a fold-away design for maximum versatility when using utility belts.

**IU76PD, IU79PD**

Note: IUPD models are designed to accommodate users up to 350 pounds. Arms sold separately.

#### Maxwell Heavy Duty 400 lbs.

A maximum size well designed intensive-use chair with heavy duty components, 24" wide seat, wider supporting back with a heavy duty multi-function mechanism that is built to endure and provide a comfortable slim look design so that users can achieve a less intimidating look, but still get the support and comfort they require.

**MX84IU; MX88IU**

Note: MXIU models are designed to accommodate users up to 400 pounds. Arms sold separately.

#### YES MESH BACK EXECUTIVE & TASK

An extremely affordable stylish chair that provides comfort, performance by virtue of either a Synchronized or Multi-Function Mechanism that is fully adjustable so it's easy for users to say "YES".

**YS70N; YS71S; YS72; YS73; YS74; YS75; YS76S; YS78; YS79; YS84; YS88; YS89**
